

Declaration of AI Use

This document must be submitted alongside the Declaration of Originality for every article submitted to *Contemporary Southeastern Europe*.

Herewith I/we¹ confirm the following regarding the use of generative artificial intelligence (AI) tools (e.g. large language models, AI writing assistants, AI translation or image-generation tools) in the preparation of the article submitted to *Contemporary Southeastern Europe* with the title:

1. Was generative AI used in the preparation of this article?

☐ No, no generative AI tools were used. ☐ Yes, as detailed below.

Routine use of spelling/grammar-check tools or reference-management software does not require disclosure and should not be noted below.

2. If yes, please specify for each tool used:

Tool name & version	Purpose of use	Stage of manuscript preparation

(Examples of "purpose of use": drafting, editing/language polishing, translation, data analysis, image generation, literature search. Examples of "stage": initial drafting, revision, final proofreading.)

I/We confirm that I/we remain fully responsible for the accuracy, originality, and integrity of the submitted work, including any content informed by the AI tool(s) disclosed above, and that all such use has been accurately and completely disclosed.
